## NEW TRENDS IN CHEMISTRY RESEARCH

September 18-20, 2024 | Timisoara, Romania

(NewChemRes 20<sub>24</sub>)

The "**Coriolan Drăgulescu**" Institute of Chemistry, Romanian Academy, is pleased to invite you to Timisoara, Romania on **September 18-20, 2024**, for the 16<sup>th</sup> edition of the International Conference "**New Trends in Chemistry Research**" (**NewChemRes20<sub>24</sub>**).

The conference will be devoted to "New Trends in Chemistry Research" and will cover the following topics:

- Organic and Polymer Sciences
- Inorganic and Coordination Chemistry
- Applied Biomedical, Electronics, Optoelectronics and Environmental Sciences
- Green chemistry for sustainable development
- Computational chemistry and Cheminformatics

As for previous editions of the *New Trends in Chemistry Research*, the scientific and organizing committees will ensure the high quality and diversity of the scientific program, bringing together leading scientists, PhD students, and post-doctoral fellows. Open discussions about career development activities supporting the progression of young researchers will complete the conference program. For the PhD and post-doctoral students, the originality, clarity and quality of the presented works will be awarded. In addition, various research equipment providers will showcase their products.

*We cordially invite you to attend this conference and to present and discuss your work with colleagues.*
